TESTIMONIALS FROM STUDENTS

“

I really liked the idea of having a real world problem and putting our brains to work to suggest solutions.

- K. Govinda

It was a new and exciting experience. I learned to consider all angles of the problem

- Shivansh Sehgal

The scenario was good and well thought off. It helped me gain a lot of real world insight into problem solving.

- Trishika Sekar

It's amazing how seriously this initiative is undertaken, and the kind of importance is given to end-to-end planning.

- Grishma Sharma
